How and why
IDON?

IDON is Today's Preferred Currency for Luxury

Today's economy is increasingly uncertain. Tomorrow's economy is risk-managed, secure and contact-free. All transactions within our simple and secure digital economy are delivered through a token that lives on the Ethereum blockchain, and are managed through smart contracts. Transactions are digital, low cost, and based on Industry standard technology. The high-value asset, luxury goods and service industry is being upgraded and reinvented. This new digital economy, Idoneus connects Luxury Partners, High-Net-Worth Individuals, Family Offices and Token Holders on one integrated blockchain-based platform.

INNOVATIVE LIQUIDITY

Easily divest out of dormant, under-utilized, or underperforming holdings, and move into an asset class with no holding costs and growing utility.

TANGIBLE VALUE

A digital currency that can be utilized to buy or rent physical assets goods and services of nearly every kind, often at a relative discount to prevailing market prices.

INSTANT UTILITY

Simply log on and transact. IDON enables fast, secure, contact-free payment for luxury assets and experiences, such as beachfront villas, boutique hotels, luxury yachts, fine art and more.

RISK DIVERSIFICATION

Diversify your portfolio and keep transactions for luxury assets and experiences within the network, using IDON, avoiding external currency fluctuations and other sector-based shocks.

Why use IDON Tokens?

VALUE PROTECTION

IDON price value protected at a \$10.00 minimum for public trading*.

FRICTIONLESS TRADE

Skipping the middlemen and a full digital experience that is easy-to-use.

CASH INDEPENDENCE

Little or no cash liquidity required to purchase high-value assets.

MULTIPLY OPTIONS

Significantly increases the choices relative to existing holdings.

TRANSACTION SPEED

Transactions are executed on the best-established blockchain network.

PRICE ADVANTAGE

Utilizing IDON can create savings of up to 10% on the original asset price.

DEVALUATION HEDGE

Swap fiat currency into IDON as a hedge to historic price devaluation.

TRANSACTION COST

Transactions are executed at a fraction of the costs of traditional finance.
